

Dear Community Day Bowler

It's time to polish the bowling ball, dust off the shoes and get ready to help kids! Bowl-For-Kids-Sake is scheduled for 2010 and we need your help. Here's how it works!

1. Put together a team of 5 people to bowl. You do not have to be a good bowler to participate. This is about helping kids not bowling.
2. Each team member needs to raise a minimum of \$50.00 in sponsors to bowl.
3. Choose a specific date and time to bowl.
4. Come out and have fun bowling and have the satisfaction of knowing that you are helping a child in the process.
5. Each bowler who turns in \$60.00 the day of the event will get a free T-shirt.
6. Each bowler gets to bowl 2 free games, free food and drinks, plus a chance to win lots of door prizes.

Please call, email, fax or send your reservation in today!
